See the craft instructions for how to make the flat tomb out of Cardstock. See the free craft instructions for how to make a 3D tomb out of a box and cover it with fabric.

Make your own angel standup, use the free angel Standup craft provided (from our archived crafts), or order the new Resurrection Lesson (or the 4-lesson or 6-lesson Resurrection themes that it's included in) to print and make the new tomb and angel scene.
